

Deep Creek Range has great access for indoor and/or outdoor use. It is situated in the creek bottom with the creek and mature fir trees on two sides with wide open views of the Absaroka Mountain peaks and old homestead.

A variety of locations on site for your wedding ceremony include the Open Range with a 360 degree view of Paradise Valley, the lawn surrounding the hall which is overlooked by the old homestead and Mount McKnight, the small grassy meadow beside Deep Creek ninety feet from the porch, or The Bench offering a unique view of mountain tops and overlooking The Range Hall.

The Range is 3500 square feet of reception area, men's and women's bathrooms, a large dressing/family bathroom and a large warming kitchen with a refrigerator, range, ample sinks and counter tops. An additional 1000 square feet of outdoor space is covered by the wrap around rustic porches. Tables and padded wood chairs to seat 150 people are included along with buffet tables.
